

Anime Club Video Permission Slip

This year in Anime Club, we would like to share a variety of iconic and popular shows with the students based off of our knowledge and their recommendations. To provide a wider variety, we may occasionally watch TV shows rated TV14 due to violence, mild language and plot lines involving cultural mythology.

All efforts will be made to ensure that material shown in club is age appropriate. Please sign below if your student has permission to watch these episodes.

Mrs. Rockel and Ms. Jefferies
