

## Journal Entry Questions

For this journal, you will be responsible for answering **FOUR** of the following questions: (Each question is worth a ½ point)

1. What instruments do you hear or recognize?
2. If you were to categorize this piece into a genre or style of music, where would you place it?
3. What do you think the composer/song writer is trying to say through this performance?
4. In a few words, describe the feeling of the song. (i.e. Is it happy? Sad?)
5. What images come to mind when you hear this music? Does it make you think about anything?
6. Were there any sections that stood out to you from the work (i.e. lyrics, instruments, changes/transitions—what is worth remembering from this work).

After choosing **FOUR** of the above, please answer this question. Make sure to explain why you would or would not. (1 point)

Would you listen to this performance at home or on your own time?  
Why or Why not?
