

# MUSICAL MATH

Just like in math, add or fill the missing values with one of these musical notes: whole note, half note, quarter note, or eighth note or numbers for the sum.

1      +      6

7      +     

2      +     

8      +     

3      +      2

9      +     

4      +     

10      +     

5      +     

11      +      3

6      +     

12      +
